Aircraft: valid ARC, last weighing report, Flarm-Range analysis, liability insurance

Logger: Please send us a logger file of the primary logger and secondary logger, if you have an engine/jet, with an ENL record, to auswertung@lsr-aalen.de.

For each pilot, there will be a personnel folder in the Google Drive folder where the documents must be uploaded.

Important: Each crew must bring their own towing rope! Borrowing from each other does not work due to our towing procedure!

Accommodation:

There are plenty of campsites at the airfield. If you don't want to camp, you can look for a place to stay under <http://www.haertsfeld.de/gastlichkeit/Essen-Trinken>. E.g.: Ochsen in Elchingen, Kanne in Ohmenheim.

You will receive more information with the Local Procedures and the Self-Briefing, which will be published soon.

We look forward to see you!
